ENTERPRISE SALES

PETROL PUMP ERP:

Know Every Litre.
Know Every Rupee.
Control Your Petrol Business.

From Fuel Sales Recording → Real-Time Fuel Business Control

Control Every Litre	Track Every Rupee (PKR)	Understand True Profit

Powered by Smart Inventory + Sales + Profit Intelligence

Petrol Business Is More Than Sales:
A Petrol Pump Is A Financial Asset

Fuel IN

Fuel IN

- Supplier deliveries
- Purchase rates
- Fuel batches

How much fuel did I receive?

Fuel OUT

Fuel OUT

- Nozzle readings
- Customer sales
- Cash recovery

How much fuel did I sell?

Business VALUE

Business VALUE

- Stock valuation
- Margins
- Price impact

What is my actual profit?

ERP connects litres with money

Before Petrol ERP: Trust-Based Reporting.

Problems

- ❌ Manual calculations
- ❌ Delayed reporting
- ❌ Hidden fuel losses
- ❌ Unknown profitability
- ❌ Credit risk
